

Vessel had made much Water, which he imagined was by Reason of her not being pumped for some Time before; and that the next Day he was obliged to pump every Half Hour, having then good Weather; but on the 21st following, having a fresh Gale, he was obliged to keep one Pump constantly going; and on the 25th, having a very hard Gale, he was forced to lay to, and by the Violence of the Sea and Wind, lost two Mainfalls, and one Sea carried away his Boat and one of his Ruff-Trees, when he expected every Moment to founder, both Pumps being constantly at Work, and they getting choak'd with Coals, there was often three Feet Water in the Hold. On the 27th, he saw two Sail, and soon came up with one of them, which proved to be a Snow from South-Carolina, bound for Cowes, but she having been in the said Gale, and received considerable Damage therein, could give Captain Prince no Assistance. The 29th, in Lat. 35. 50, Lon. 59. 16, in a violent Gale of Wind, one of his Pumps being broke, and the other choaked with Coals, he cut away his Masts and Bow-sprit, in Order to make a Raft (his Boat being gone) if possible, to save his Life and that of his Crew; but on the 7th of February, at 6 P. M. he had the good Fortune to fall in with a Sloop from South Carolina, Ing-ham, Master, bound for Bermuda, who took him with all his People, (but one that died with the Fatigue) on board, and carried them safe to the said Island. The Vessel when Captain Prince left her, had 4 Feet Water in her Hold, and he imagined she could not swim many Hours longer.

ANNA POLIS, April 5.  
We are informed by Mr. Michael Creisp, from Frederick County, that on Monday the 26th of March, George Dehn was Shot and Scalp'd in Sight of Fort Besord, and Three other Men are Missing, and suppos'd to be Kill'd or Taken. An Express going from Fort Loudoun to Fort Bedford, with Orders from the General, was pursued by Indians on Horse-back, who Fir'd at him Twice, and had almost overtaken him, but he quitted his Horse and Gun, and got safe to the Fort, being favor'd with the Night.

Tuesday last arrived here from Cork, after a long Passage, the Snow Peace, Capt. Pearson.

We had here Yesterday about Two o'Clock, a remarkable hard Shower of Hail, which continued about 12 Minutes; the Hail-Stones being in general about the Size of large Hazle-Nuts.

Since our last arrived in Patuxent from London, the Ship Elizabeth, Capt. John Johnson, having had a very good Passage; but we have not yet been so fortunate as to procure any of the English Papers brought in by him, except THE LONDON EVENING-POST of the 26th and 28th of January, which we have just receiv'd. By them we find, that his Serene Highness the Hereditary Prince of Brunswick, was Married to her Royal Highness the Princess AUGUSTA, and that they soon after left England. In those Papers there is no mention of the Expulsion of Mr. Wilkes; but there is an Account, that on the 24th of January, ANTHONY BACON, Esq; a Virginia Merchant, was Chosen a Member of Parliament for the Borough of Aylesbury, in the Room of John Wilkes, Esq; without Opposition.

We have not yet been able to obtain a List of the Arrivals brought by Capt. Johnson, but shall have it in our next.

Piscataway, March 29, 1764.

AFTER the Breaking up of the Store in this Place, which belonged to Messieurs JAMES TODD and COMPANY, all Persons indebted to the said Company, were desired to discharge their Debts, or settle by Bond; but as most of them have paid little Regard to the Notice given them there, and some have been so unreasonable as to refuse to give their Bonds, notwithstanding this Manner of Settlement was proposed with a View of making Payments more easy, by waiting till such Time as they could get their Tobacco ready, or more conveniently raise the Money: I must now inform these People, that they need not expect any further Indulgence, for he who assisted for some Time in that Store (and who is now empowered to collect the Debts due to the Company) has Orders to commence Suits against such as will not settle to his Satisfaction, and to have Recourse to Means of Compulsion, when those of Mildness will not answer.

Notice is also given, That the LOT in Piscataway, which belongs to the said Company is to be Sold, on which stands a very convenient Store-House, with a Compting-Room, a good Lumber House, a Stable, and a Kitchen.
